

FIGHTING WORKFORCE ADDICTION

In Your Rural Community

- 
- 70%** of Americans who use illicit drugs are employees
 - \$81** billion is lost each year due to absenteeism, healthcare costs and reduced productivity
 - 18** more days of work are missed each year by those suffering addiction than those who aren't
 - 58%** of those addicted keep their job for more than a year compared to the national average of 75%

THE FLETCHER GROUP

HERE TO HELP

- 
- Founded in 2017 by former Kentucky Governor Ernie Fletcher
 - Uniquely adept at tapping existing government funds and resources to build sustainable Recovery Housing
 - Mandated in 2019 with a HRSA Grant to provide Technical Assistance to rural communities suffering from high rates of drug addiction

A UNIQUE APPROACH THAT WORKS!

Our "Recovery Model Within A Housing Model" coordinates job and life skills training with an aggressive Social Enterprise to enable the meaningful employment so crucial to lasting abstinence and recovery.
